# Red Cross Prepared to Give Expert Nursing Service to 1,000,000 Men

thy Associated Press 1

WASHINGTON, February 9 .- An expert hospital force sufficient to care for an army of 1,000,000 men could be mobilized by the Red Cross within a few days after an outbreak of bostilities, in the belief of officials at headquarters of the society here.

Since the call was issued on Saturday, Instructing Red Cross chapters throughout the country to place work, many encouraging reports have been returned to headquarters. together with a great flood of personal offers of service. Ellot Wadsworth, neting chairman, estimated to-night that the force which could be mobilized immediately in case of war would include:

Twenty-six completely equipped army and navy base hospital units with a total personnel of 1,250 nurses' nids:

A hospital base reserve of 415 nurses and 525 nurses' aids: Thirty-one partially complete

navy detachments of twenty nurses

WAR DECLARATION

One hundred and fifteen local emergency detachments; and A corps of expert instructors in surgical dressings, totaling about
